Duty Chaplain: Duty phone, 606-5773. After hours, 606-9961

Safety Hazard: Dial 605-SAFE.

SECTION II — OFFICIAL

1. Team Vandenberg:

a. Office Closure: The 30th Comptroller Squadron will be closed on Friday, 8 Jul 05 from 1200 to COB for an official function. We apologize for any inconvenience this may cause. If emergency financial assistance is needed, you can reach us at 588-9282. (30 CPTS/FMFS)

b. Attention All Motorists Driving On South Base: The base-wide traffic markings contractor is currently restriping several roads located on south base. Base traffic regulations require all drivers to slow down and proceed with caution when driving in construction zones. Be prepared to immediately slow down or stop when you encounter the contractor's striping crews and carefully drive through areas designated with cones and/or signs. For further information call 6-2330 or 61928. (30 CES/CEOEC)

c. Military Equal Opportunity (MEO): The Equal Opportunity and Treatment (EOT) complaint process is a means for military members, their families, and military retirees to present allegations of unlawful discrimination and sexual harassment to the offending party, someone in a position of authority, or both. When appropriate, complainants should be encouraged to resolve complaints informally before filing formal complaints within supervisory and chain of command channels. For more detailed information contact the 30th Space Wing MEO office at 6-0370. (30 SW/ME)

d. Behind the Wheel Safety: According to the National Sleep Foundation (NSF), too often people work all day, pack their cars, get fuel, and then hit the road without little consideration on how little sleep they've had, and how low their reserves are for staying AWAKE and ALERT behind the wheel. NSF's 2005 poll found that more than 60% of respondents admitted to driving when they were drowsy, and more than 10 admitted to having fallen asleep at the wheel at least once a month. In addition, 90% of North American police officers have stopped a driver whom they thought was drunk, but in reality, was drowsy. The National Highway Traffic Safety Administration estimates that up to 100,000 crashes (per year) reported to police involved drowsiness or fatigue as the principal causal factor for the crash. (30 SW/SEGB, 6-8804)

e. Airmen Against Drunk Driving (AADD): Call us; we'll be your wingman! Call AADD at 605-AADD/606-AADD for a free and anonymous ride home Thursday—Sunday, 1700—0500. To volunteer as a driver, contact [SrA David Brown](#) at 6-8483. (381 TRSS/TSU)
